

About the Report

CNPC in Iraq, the Sustainability Report issued by China National Petroleum Corporation (CNPC) provides an overview of the main achievements made by CNPC in fulfilling social responsibilities and striving to become an outstanding corporate citizen in Iraq since it embarked on oil and gas operations in the country.

In preparing this report, we followed the principle of being objective, criterion compliant, honest and transparent. The report is published in Chinese and English. In case of any discrepancy, the Chinese version shall prevail. For convenience of reference, China National Petroleum Corporation is also referred to as "CNPC", "the Company", "we" and "us".

This report is available in both printed form and electronic form. You may download the e-version at our website www.cnpc.com.cn. For a printed copy, please send an email to csr@cnpc.com.cn. For more information, please visit www.cnpc.com.cn/en/.
