

About the Report

This is China National Petroleum Corporation's 13th annual Corporate Social Responsibility Report since the establishment of the reporting system in 2006. This report reflects our accomplishments in fulfilling our economic, environmental and social responsibilities. Hereby, we make the following statement on relevant information:

Reporting company: China National Petroleum Corporation (CNPC)

Alternative reference: China National Petroleum Corporation is also referred to in this report as "CNPC", "the Company", "we" and "us".

Timeframe: From January 1 to December 31, 2018. Given the continuity and comparability of the disclosed information, part of the information may be taken forward or backward as necessary.

Reporting period: This is an annual report. The 2017 Corporate Social Responsibility Report was issued on May 17, 2018.

Reporting principles: Objective, standardized, honest, transparent and substantive.

Report content: Our accomplishment in fulfilling our economic, environmental and social responsibilities.

Information sources: The Company's official documents, statistical reports and statistics related to the Company's subsidiaries. All the information has been reviewed by the Company's management and its subsidiaries.

Report improvements: In order to showcase our social responsibility performance in a more objective, comprehensive and prioritized manner, the 2018 report features some important new issues, such as "energy transition" and "green development". While compiling this report, we carried out on-site investigations on the CSR performance of our affiliated companies, verified the authenticity of enterprises case studies, extensively solicited opinions and suggestions and actively responded to the concerns of all stakeholders.

References: The *Guideline on Better Fulfilling Social Responsibility by Central Enterprises* issued by the State-owned Assets Supervision and Administration Commission (SASAC). We also referred to the *Sustainability Reporting Guideline (G2016)* published by the Global Reporting Initiative, *Oil and Gas Industry Guidance on Voluntary Sustainability Reporting (2010)* co-published by the International Petroleum Industry Environmental Conservation Association and the American Petroleum Institute, *ISO26000 Guidance on Social Responsibility* by ISO, The *2030 Agenda for Sustainable Development*, the *Guidance on Social Responsibility Reporting (GB/T 36001-2015)* by China National Standardization Management Committee, and *China CSR Reporting Guide (CASS-CSR2.0)* by CASS.
